FINAL NOTE SENT TO GERMANS

HARRY J. KESER, who, with his wife, was a passenger on the Lusitania, was first vice president and cashier of the Philadelphia National Bank. Mrs. Keser, before her marriage, was Miss Mary Floyd, of Glenside. Mr. Keser was well known in banking circles. It is believed Mr. Keser's visit to England had something to do with the reported orders said to have been given the Baldwin Locomotive Works for war munitions. Samuel Vauclain, vice president of Baldwin's, is a director of the Philadelphia National Bank. Alba Johnson, president of Baldwin's, was a director of the bank, but withdrew when he became a director of the Federal Reserve bank. The Philadelphia National Bank is said to be close to the Baldwin Locomotive Works in financial matters.

British Press Predicts German-American War

RUSSIANS CLAIM ANNIHILATION 3 REGIMENTS OF TEUTONS AND AUSTRIANS

WASHINGTON, June 9.—The transmission of President Wilson's note to Berlin commenced at 2 o'clock p. m. Following the forwarding of the note, former Secretary of State Bryan issued a statement saying he and Wilson disagreed on two points: The investigation of international disputes by an international commission and the warning of Americans against taking passage on belligerent vessels.

ANOTHER BRITISH STEAMER VICTIM OF GERMANS

LONDON, June 9.—It is admitted today by the admiralty that the British steamer Lady Salisbury, has been torpedoed and sunk by a German submarine.

Official versions of the disaster say the vessel was torpedoed without warning. One sailor is known to be drowned and two others are missing. The remainder of the crew has been landed at Harwich.

RUSSIAN SUBMARINES ATTACK GERMANS IN THE BALTIC

PETROGRAD, June 9.—Russian submarines, it is announced today, have sunk the German steamer Hindenburg in the Baltic Sea. Ten other German vessels were attacked.

A second-class British cruiser is reported as having been struck by a mine and damaged seriously enough to necessitate its being towed away. The Germans are continuing their attempts to land troops in the Gulf of Riga. Attempted attacks by Russian submarines have been frustrated.

A single Russian submarine, it is stated, torpedoed several German vessels between Windau and Gotland Island, but the damage inflicted was not serious and all escaped.

STANFORD PROFESSOR ON THE FRENCH FIRING LINE NOW

STANFORD UNIVERSITY, June 9.—Professor R. E. Pellissier, formerly instructor in French here, is on the firing line in Europe, after several weeks in the hospital, friends here today learned.

Dr. Gabriel Grojean has been named to replace Pellissier during the continuance of the war.

BOMBARDIER WELLS TURNS TO TOMMY ATKINS

LONDON, June 9.—Bombardier Wells, the pugilist, has enlisted for the war. He enters camp tomorrow.

TURK FORTS SINK TRANSPORT OF ALLIED ENEMY FLEET

CONSTANTINOPLE, June 9.—It is announced that the Dardanelles forts have sunk one of the transports of the allied fleets.

A shell from one of the forts was seen to burst on the deck of the transport, which immediately burst into flames. The dense volumes of smoke hid the fate of the crew.

ITALIAN DIRIGIBLE AND CREW CAPTURED BY AUSTRIANS

ROME, June 9.—An Italian dirigible on its way back to Rome after a bombardment of Plume, fell into the Adriatic Sea off Dalmatia. It is announced today. The Austrians made prisoners of the crew.

ITALIAN ARMY EXPECTS BIG WAR RESULTS SHORTLY

ROME, June 9.—In an official note issued at noon today the war office says: "We are pressing the enemy along the Isonza river. Important results may be expected soon."

THIS PHOTOGRAPH is the first to arrive in the United States showing a victim of the chlorine gas turned on the French and British trenches by the Germans near Ypres. This soldier was behind his embankment, at Hill No. 60, when he was overcome by the gas. Not knowing the danger, because neither he nor any others had experienced such a thing before, he did not run in time. He died in his tracks and his body was left there after the Germans were driven out. The photograph is copyrighted by Underwood & Underwood.

BRYAN ASSERTS WILSON DEMAND ON GERMANY TOO STRONG FOR HIM

WASHINGTON, June 9.—Robert Lansing, Acting Secretary of State, signed President Wilson's new German note today at 12:55 o'clock in the afternoon.

Lansing announced that the note would be forwarded to Berlin at 2 o'clock this afternoon, and said no intimation of the contents could be given until it reaches its destination.

MAY RECALL GERARD

Should Germany reject the demand made in this new note, it is stated, Ambassador Gerard will be recalled.

Should President Wilson call a special session of congress to consider a declaration of war, it is said Former Secretary of State Bryan will lead the fight against hostilities by demanding arbitration.

NO NEW SECRETARY NAMED

Counselor Lansing announced that Chandler Anderson, assistant solicitor for the state department, has been appointed counselor temporarily, while Lansing himself acts as Secretary of State.

Following a conference with President Wilson, Lansing declared he did not believe a new secretary of state would be named for some little time.

Former Secretary Bryan arrived at his office at the State department at his usual hour this morning and he and Lansing exchanged cordial greetings.

BRYAN PALE AND HAGGARD

Bryan looked pale and haggard and gave indication of having spent a sleepless night.

Early in the afternoon he left the office and went to the White House to pay his farewell official visit. He met President Wilson and Secretary Tamm, but only remained for a few minutes, returning home almost immediately.

VOICES HIS REGRET

Before leaving the State Department Mr. Bryan received a number of reporters and said farewell.

He seemed depressed, his voice was subdued and his countenance bore a funeral expression.

He half smiled as he said, "I have no news. I will talk about anything this afternoon."

He put his arm around a newspaper man, sighed and said: "Did you ever see a hen trying to cover up her chicks? Did she seem fussy and irritable?"

ASKS JUDGMENT SUSPENDED

"I have felt like that hen sometimes, trying to keep international secrets covered. I have been cross and irritable."

"You don't question the hen's good intentions. Please don't question mine."

He received one hundred and fifty officials and employees in his reception room.

His voice shook and his eyes were wet as he bade them farewell.

BIDS EMPLOYEES FAREWELL

He said he was not willing to leave without saying good-bye and would feel badly if anyone could say he had ever been unfair.

Cone Johnson, the department's solicitor, replied, wishing the retiring premier Goodspeed.

SUGGESTIONS OF BRYAN

The United Press is able to state that President Wilson rejected the following suggestions made by Secretary Bryan:

To suggest that Germany name a commission to determine the responsibility of the acts against which America protested.

To warn Americans not to take passage on foreign merchantmen, especially munition carriers.

That the United States prohibit munition ships from carrying passengers.

DIFFICULTY IN EFFECTS.
Bryan argued this.

ORANGE GAS RATE TO REMAIN AS AT PRESENT IS ORDER

Denial of the petition of the Southern Counties Gas Company to increase the gas rates in Orange is contained in a copy of an opinion and order received today by City Attorney Scott from the State Railroad Commission. The points brought out by the commission in its opinion are that natural gas has not been in use long enough in this county to determine what would be an efficient and fair rate; that manufacturers in the county have not had time enough to prepare their plants for the use of natural gas to run their plants; that the depreciation claimed by the Southern Counties Gas Company is too high and that the company's capitalization is too high.

The hearing of the gas company's petition was held before the State Railroad Commission about two months ago. City attorneys from Orange, Fullerton and Anaheim were present to put in objections to the petition of the gas company. Santa Ana was represented by City Attorney Scott.

At present the gas company's rate in each of the cities supplied by it is 75 cents per 1000 cubic feet.

LEO FRANK DENIED APPEAL AND COMMUTATION: MUST NOW HANG

ATLANTA, June 9.—The state prison board today denied the petition for an appeal for Leo Frank, convicted of the murder of Mary Phagan. It also denied a commutation of sentence.

The decision comes as a surprise, as it had been freely predicted that the appeal would be granted. The adverse ruling was immediately forwarded to the governor.

It is learned that Commissioners Rainey and Davidson voted in favor of granting an appeal and that Patterson favored a commutation of the sentence to life imprisonment.

FOUND GUILTY; L. A. FIRM CONVICTED OF SHORTWEIGHT CHARGE

Klein-Simpson Company's Attorneys Give Notice of New Trial

Deliberating but twenty minutes, the jury in the case of the city versus the Klein-Simpson Fruit Company of Los Angeles, charged with selling short weight strawberries, returned a verdict of guilty in City Recorder Willson's court yesterday afternoon. The Los Angeles firm's attorneys asked for a stay of judgment until 10 o'clock Thursday morning and gave notice of appeal for trial in the Superior Court. Yesterday's was the second trial of the company, the jury having disagreed in the first.

4000 SCHOOL KIDDIES OPEN ROSE FESTIVAL

PORTLAND, June 9.—Four thousand school children, garbed to represent the joys of peace and the horrors of war, marched in the pageant opening the annual rose festival today. Miss Sybil was crowned as festival queen.

KING CONSTANTINE IS REPORTED AS BETTER

ATHENS, June 9.—King Constantine has remarkably improved today and physicians state they are hopeful of his recovery.

SHORT WEIGHTS ROLLED BARLEY ARE WATCHED BY SEALER

George McPhee, county sealer of weights and measures, has started a campaign to bring uniformity and full measure in rolled barley sold by the sack in this county. McPhee has begun an investigation that will bring about an understanding with all of the mills and dealers in the county.

Today he weighed quite a lot of rolled barley at Anaheim, and found that some of it weighed only seventy-six pounds to the sack, and a good deal of it only seventy-eight pounds. Rolled barley should weigh eighty pounds to the sack.

\$250,000 LUMBER FIRE IN PORTLAND, OREGON

PORTLAND, June 9.—A spectacular fire destroyed the Acme Planing Mill and the Standard Box Lumber Company plants today, with \$250,000 damage. Twenty-two fire companies and two fire boats fought the flames for five hours.

Mexicans Reported Slaying and Looting at Tuxpam

GALVESTON, June 9.—A cablegram just received from Vera Cruz states that the Villaistas are killing British subjects and looting their houses at Tuxpam.

The oil company's offices at Tuxpam have also been raided, the cablegram says.

Carranzaists have captured the outskirts of Tuxpam, but the Villaistas still hold the city proper.

CASEY TELLS HOW TO BEAT "DULL TIMES" FOR REAL ESTATERS

Incidentally Gives News of General Interest, and a Pointer to Auto Dealers

D. A. Casey has sold to H. S. Lambert, of Ventura, five acres on the foothill boulevard, near El Modena for \$7500—and thereby hangs a tale.

Every now and then some real estate man says:

"What's the use of advertising? You couldn't sell twenty-dollar gold pieces for more than \$13.35."

The answer is that Mr. Casey did sell a \$5000 place for \$7500, and he sold it through an advertisement in the Register at a cost of \$250. That is, his \$5000 ad had been running only two weeks when he sold the place as a direct result of the ad.

"And that isn't all," said Mr. Casey. "A short time ago I advertised, in the Register, an automobile for sale—put the ad in for three days at a cost of 25c or 35c—and it sold the machine."

BALLOONS TO TRY TO CROSS NEVADA LINE

SAN FRANCISCO, June 9.—The balloons Venice, Queen of the Pacific, Jewel City and California will leave the exposition grounds at 7 o'clock tonight for a race. They will attempt to cross the Nevada state line. Carrier pigeons will carry hourly bulletins from the aeroplanes to the exposition.

BATTLE RAGING TO DETERMINE ALL FUTURE OF MEXICO

WASHINGTON, June 9.—Mexico's future hinges on the outcome of the Leon battle, which has been raging for a week.

General Obregon, the Carranzaista commander, has the advantage.

If Villa flees officials believe Carranza may dominate Mexico.

Whether President Wilson will recognize him is not known.

A refugee train from Mexico City, flying the British flag, and carrying the British Consul General, is due at Vera Cruz. It has already reached the gap in the half-way and the fugitives are being transferred across.

EL PASO, June 9.—General Villa today expressed his willingness to resign the leadership of the Conventional army and quit politics to prevent American intervention. He has forwarded a statement replying to President Wilson's note and has promised to open negotiations with Carranza to avoid further fighting and avert foreign complications.

COLLEGE YEAR CLOSE AT POMONA TO BE ENTHUSIASTIC

CLAREMONT, June 9.—The closing of the college year at Pomona College is accompanied by unusual enthusiasm. Only two months have elapsed since the \$1,000,000 campaign, which was on for eighteen months, was successfully rounded out. Now follows the further recognition of the college by the General Education Board of New York in a contribution of \$100,000 toward the building fund. These two incidents are the outstanding occurrences in the movement of Pomona College toward a large place in the upbuilding of the civilization of the Pacific coast.

While the seniors have attended college chapel for the last time and

Ivy Day is passed, the commencement program really begins on Saturday night with the opening of the Mabel S. Bridges Music Hall. This is a splendid building of the Spanish type of architecture placed on the college campus by Mr. and Mrs. A. S. Bridges of San Diego in memory of their daughter.

On Sunday morning, the 13th inst., President James A. Blaisdell will deliver the baccalaureate sermon in the village church and in the evening Rev. Josiah Sibley, D.D., of San Francisco will address the Christian Association. Through the three days following Sunday, programs incident to commencement week will be carried out, culminating with the graduating exercises on Wednesday, June 16th.

INTERESTING DEMONSTRATION

GARDEN GROVE, June 8.—Last Friday afternoon the home of Mrs. S. S. Jackson was the scene of a very successful and interesting demonstration given by Willard I. Cain of Santa Ana.

Mr. Cain, who is salesman for the Aluminum Cooking Utensil Company of America, gave a very interesting talk during the afternoon on the wear-never aluminum ware, telling how it was first brought from the mine, carrying it through the different stages of manufacture until it is finally ready for the market.

About thirty-five ladies were present and one and all agreed that it was an afternoon of educational value as well as one of great interest.

DAMAGE FROM SEWER SETTLED FOR \$40

Fullerton Tribune, June 8: The city trustees held their weekly meeting Monday and disposed of many matters that had been pending for some time.

The claim of Mrs. Carlson for damages sustained when a clogged sewer overflowed into her house when pressure was applied to a pipe was settled for \$40.

Bids for city advertising and printing were received. The contract for advertising was awarded to the Orange County Tribune and Fullerton Daily Tribune.

The insurance policy covering the fire truck and its equipment and the public liability policy, which have been in the hands of the city attorney for investigation, were accepted after some minor changes had been made.

The resignation of Mrs. T. D. Robertson from the park commission was accepted, and Arthur H. Johnson was appointed to fill the vacancy.

Authority was granted the Santa Fe railroad to replace the present crossing at Spadra with a type of crossing in use to a great extent all over the country at railroad crossings.

The new construction will bring the crossing to the grade of the rails, which will be quite an advantage over the present series of bumps. The street department was instructed to take up the placing of warning signals and bells at all railroad crossings with the Santa Fe, attention being called to the danger where no such device was installed and the view of the track obscured by weeds, buildings, curves, etc.

Fire Chief Clever called attention to the difficulty in using the wrench on certain fire plugs which were set too deeply in the ground and others where the curbing interfered with the turning of the wrench. The matter was referred to the street department for action.

A general discussion of the fire apparatus and work of the fire company ensued, and attention was directed to the urgent need of a drastic ordinance that would prevent the interference of the general public, and especially of the approaching of automobiles too close to the scene of a fire.

The ordinance will be drafted in the near future and will probably be along the lines followed in other cities, which direct that upon the approach of a fire engine or other fire apparatus all vehicles draw in to the curb and stop until the apparatus has passed, and will also prohibit any unauthorized vehicle from coming within a certain distance of the fire.

Don't Invite Serious Sickness

"A stitch in time saves nine," is an old and true saying, but it is nevertheless true. Common colds and a constipated condition are the foundation of much serious illness and dread disease that could be avoided if prompt attention were given to the first so-called slight ailment.

Every family can provide prompt treatment for these first attacks of ill health—and every family should be prepared for an emergency by having on hand that standard old family cough syrup, Foley's Honey and Tar Compound, for the relief of coughs, croup, whooping cough, irritated and inflamed throat, tight and sore chest, grippe and bronchial coughs.

Foley Cathartic Tablets are just the thing for constipation and sluggish bowel movement—a wholesome laxative and cleansing cathartic. They do not gripe or cause nausea or inconvenience and are particularly welcome to stout people.

FINEST SPECIMENS OF BABYHOOD WILL MAKE AN INTERESTING FILM

Movie Man Takes Picture of
Bevy of Santa Ana's
Beautiful Babes

The spacious grounds of the A. J. Crookshank home with its beautiful trees and shrubbery, made a charming background for the bevy of cooing, dimpled, beautiful babes that were the interesting subjects of the big film taken yesterday afternoon by the Los Angeles representative of the Pathe Weekly.

The babies with their proud mothers, aunts, cousins, sisters, brothers and friends, began to arrive at the appointed place shortly after 2 o'clock and when the "movie man" arrived, he found one of the prettiest scenes that has ever inspired a Pathe Weekly film, and decidedly the most wonderful ever staged in Orange county.

Most of the youngsters had been registered and examined by local doctors before having their pictures taken, and whatever defects had been discovered, a deficiency in lung power was certainly not one of them, although most of the kiddies were in high spirits over the flattering attentions showered upon them.

Never before in the history of Santa Ana has there ever been a more interesting assembly of beautiful babes, and the picture will truly be one of the finest ever thrown on a screen and one of which Orange county may justly be proud.

CHERRIES ARE RIPE IN YUCAIPA

Excursion to 'Cherrycroft'
Next Monday and
Tuesday

So many inquiries have come to us about the cherries at Yucaipa, that we have decided to conduct a special excursion from Santa Ana and Orange on next Monday and Tuesday, to "Cherrycroft," said to be the finest cherry orchard in the state. The trip may be made in one day or the guests may remain over night. The shortest route is through the Santa Ana canyon, the road now being in fine condition, passing through Corona and Riverside. At Redlands the Redlands and Yucaipa Land Company will receive the visitors at their office building and then pilot them to the valley, passing through the famous Dunlap ranch to the upper Yucaipa Valley, through the 4000 acres of apple orchards to the south mesa where the Santa Ana Colony orchards are located. Here a water demonstration will be made after which the visitors will be escorted to "Cherrycroft," the great cherry orchard of Andrews Bros., where the visitors may obtain a supply of cherries, the largest and finest grown anywhere on earth, if they so desire, picking them from the trees themselves if they wish. Persons desiring to make the trip should be ready to start at 6 o'clock a. m., and may arrive home at that time in the evening. Those using their own machines are requested to report to the undersigned, by noon on Saturday. Those desiring to engage accommodations should do so as soon as possible and not later than Saturday morning. Other details will be given in a later notice. Telephone Sunset, 161; Home, 3744, or call at 504 North Main street, Santa Ana. Mr. John Boose of Santa Ana and E. S. Palmer of Orange may also be consulted.

Respectfully,
JOHN R. SCHOOLEY.

GO-GET-IT SPIRIT WINS CONTEST HONORS FOR RIVERSIDER

California pluck, perseverance and that indomitable spirit that wins was well exemplified the other day in the capture by a Riverside Poly high school boy, Nye Oberg my name, of the International Peace Trophy Championship of the United States.

Oberg won second place in the Southern California peace contest, then went to San Francisco and captured first place in the state contest.

He wanted to go to Kansas City to participate in the national contest. Permission was refused by the Poly principal. Oberg had no funds. A Riverside man loaned him the money. He went to Kansas City on a "news-paper train," riding continuously with what little sleep he could get in a chair car.

Oberg arrived in Kansas City less than an hour before the contest, hurried to a shower bath, and inside the hour was on the stage, delivering the oration which won the championship. Riverside Poly students plan to give the lad a rousing reception and to raise funds to repay the loan.

When a California boy, a California man, a California town wants anything—they "go-get-it." Oberg is apical of the California spirit.

entitled to arbitration if she desired. Many times President Wilson and Secretary Bryan have discussed their differences of opinion regarding the best method of safeguarding seagoing Americans.

Finally Bryan told Wilson he would resign if the administration insisted on forwarding the new note.

BELIEVES IN ARBITRATION

Bryan said today: "As a private citizen I can tell the people why I believe my plan is better than President Wilson's. My plan must be adopted if America keeps out of the war. That's what I hope to accomplish."

"I could not sign the new note when I believed its proposals were not the methods that should be used. I believe an arbitration suggestion should be made."

REASON FOR RESIGNING

"My reason for resigning is clearly stated in my letter of resignation," said Bryan, "namely, that I may employ as a private citizen means which the president does not feel at liberty to employ."

"I honor him for doing what he believes is right. I am sure he desires to find a peaceful solution of the submarine problem."

SHOULD ARBITRATE

"I believe America should frankly tell Germany we are willing to have an international commission investigate and arbitrate."

"I don't know if Germany would accept, but America should make the offer."

"If accepted it would relieve the ten-

WASHINGTON, June 9.—The White House today emphatically denied reports that the formation of a coalition cabinet was contemplated.

It declared no coalition ministry was necessary as there are plenty of Democrats capable of filling all important positions.

The suggestion that Richard Olney be named to succeed Bryan resulted in calling attention to the fact that Olney declined the British ambassadorship and the chairmanship of the Federal Reserve Board on account of advanced years.

HONING FOR KANSAS? HERE'S A CURE FOR THE FEELING

C. H. Potts of this city is not lacking in love for his "old home" state of Kansas; but that love and loyalty does not blind him to the "spots on the sun," so to speak. He loves not Kansas less but California more. So he offers the following excerpt from a letter he has just received from H. E. Douglas, cashier of the People's National Bank of Burlington, Kansas, as a sure cure for "that homesick feeling for Kansas," with which some Kansas-Californians are sometimes afflicted.

Under date of June 4, 1915, Mr. Douglas writes to Mr. Potts as follows: "Kansas is sure in a terrible shape this year. Here it is the 4th of June and not more than half the corn planted, and part of that will have to be planted over. There are lots of fields that have never been touched, and the weeds are as high as the corn in some of them. There has not been any work done in the fields for three weeks, and last night about three inches of water fell."

"The chinch bugs and rust have taken most of the wheat in this section, but I understand that farther west prospects are very good. Alfalfa is fine, but the first crop has been damaged by the rain. Lots of it is still lying on the ground, too wet to be put in the barn. Oats is the only crop that bids fair. They were put in about the middle of April and have made a big growth. If it should clear up soon I think that we would have time to raise a fair corn crop."

DEPENDENT CHILDREN

A woman engaged in charitable work was telling the other day of a pitiable case of a child in another town that was badly crippled. It was unable to attend public school. The parents could not afford to send it to any other institution. There had previously been another case of a cripple in the same neighborhood, and provision for sending this unfortunate to a school for cripples had been made out of public relief funds. But the local authorities would not make a second appropriation for such a purpose. They said the voters would never stand for it.

To send this boy to a certain school for crippled children would cost \$4.00 a week. At the end of that time the child would have been taught to earn a living, and in all probability would be self supporting. The medical treatment at the institution would have improved his condition.

Now the boy is growing up only a child in mentality, and will not be able to perform any useful labor. Almost unquestionably he will become a public charge. The town that declined to pay \$4.00 a week for a few years may have to support him for a life time, and perhaps descendants of his also.

The case is typical of cases of cripples, feeble minded children, and other unfortunates, that are found almost everywhere. Not merely is the condition of such little ones most pathetic. Also it is not good business to let these children come to manhood and womanhood in such condition if it can be helped. The great majority of them can be taught useful occupations. Their bodily infirmities often sharpen their wits, and all they need is treatment and education at the critical growing period.

Often the trouble is with the parents, who are unwilling to pay a few dollars for consulting physicians. They perhaps see some half trained practitioner, who prescribes some useless treatment. So the case drifts along and the trouble becomes permanent.

LONG CREDIT TRADE

If the American people could but pay for their household supplies day by day, one of the big costs of living could be reduced. The money is often lying idle in the consumer's pocket, while he pays an extra charge to enable the retailer to pay interest on stock bought on credit or with borrowed money.

A farm bureau expert, in an address a few days ago, pointed out how a great many farmers are increasing their costs by the policy of buying supplies on long terms of credit. The supply company practically becomes a bank. It not merely makes a profit on the goods, but it gets a banking profit too. If the farmer could but buy for cash, he would save one liberal profit.

As a community grows in prosperity, it ought to get rid of long credits. The retail merchant may think he is not paying anything for

the use of capital locked up in his stock. But if he could get at the cost books of the manufacturer, he would find that not merely is he being charged up interest on his delayed account, but that a percentage is added for risks of credit trade. The man who pays cash buys cheaper.

The subject was suggested by the advice that has just been given at the Pan-American financial conference at Washington, of the necessity of extending long terms of credit, if the United States wants South American trade. The proposition is adverse to our temperament. The American business man believes that "short accounts make long friendships."

But this is a case where the boot is on the other foot. The United States is now the richest creditor nation in the world. It can reflect that creditors usually profit handsomely for extending accommodation, where same is based on careful investigation of business standing. Wherefore our business men can well afford to humor the South American whim for slow payments, and to adjust themselves to the financial customs of the tropics which everyone wishes to see disappear at home.

KENTUCKY DRY

State-wide prohibition is to be a leading issue in the next Kentucky campaign. The opponents of the movement believe that the recent county unit law should be given a try-out before it is superseded by a summary measure that many in the state believe would be less effective in reducing the consumption of intoxicants. The prohibitionists are noisy and persistent, and will make a hard fight to have the parties put into their platform a plank favoring the state-wide prohibitory movement.

AMUSEMENTS

It is spelled "Sari." It is pronounced Shar-ee or Shar-ey, with neither syllable accented. This information may make it somewhat easier for the young gentlemen in the box-office at the Rowley Drug Store who are kept busy telling enquirers how to pronounce the name of the operetta that is coming to the Grand Opera House, Thursday, June 10.

But there is more than the name of the piece to tangle the tongues of the uninformed. For instance there is the name Mizzi Hajos. Miss Hajos plays the part of Sari. If one were to address her properly they would call her Mizzy Hyos. One of the characters of the play is Pali Racz. In English that is pronounced plain Polly Rats. He has a son Lacz. As spoken his name is Lat-sy. Furthermore there is that dance in "Sari" The Hazzaa. It is pronounced "Hot-zot-zot." Pronounce that as you like. Nobody connected with "Sari" has undertaken yet to put it into English.

At Temple Theater

The Eugenic Congress, presented by Mrs. L. L. Livingstone and Better Babies Contest will come to a close tomorrow afternoon and evening at the Temple Theater with her celebrated lecture on "How to Improve the Human Family," illustrated with views and moving picture reels. At the close of the lecture Mrs. Livingstone will announce the highest percentage, bestowing the medals and diplomas and giving the score cards to the mothers.

In conjunction with the above Mrs. Livingstone will exhibit her wonderful six-reel picture of the "House of Bondage," featuring the celebrated actress, Lottie Pickford, in her first and only feature production, the production which made this little actress famous.

This play alone is something that every father and mother who have the welfare of their children at heart, should not fail to see as these terrible things are taking place every day and we can never tell how close to home they may some time strike.

of many classic western parts in the legitimate. As "Cash Hawkins" in "The Squaw Man," he enhanced his permanent reputation on Broadway. Later, when he toured the country, he was welcomed from coast to coast as the creator of a type which has greatly enriched the American stage. When Thomas H. Ince, production chief of the New York Motion Picture Corporation, was seeking to persuade Mr. Hart to enter the field of screen drama, he especially emphasized the opportunities which the Santa Monica Studios offer to a lover of western character parts.

Mr. Hart is recognized as the greatest exponent of western roles ever on the stage or screen.

At the Lyric

There is probably no more popular "movie star" than Mary Fuller, and in the big three-act Broadway feature, "The Honor of the Ormsbys," which this idol of the screen, takes the part of a cabaret dancer at the early opening of the play, has certainly added another victory in her long list of triumphs.

At the matinee performance on Tuesday and at night the Lyric was crowded by the "fair sex," who flocked to see Mary Fuller, and all pronounce this special feature one of the best Miss Fuller has yet appeared in. Tonight is the last performance of "The Honor of the Ormsbys."

As a special added attraction the management is also presenting "The Torrent," a big two-part sensational and thrilling feature with Marie Walcamp and Wellington Player. A travelogue picture, "Ten Minutes in Bombay," and a Nestor comedy, "He Fell in the Park," with Eddie Lyon, Victoria Forde and Lee Moran, complete as pretty and interesting bill as one could wish.

PERTAINING TO THE WAR

A manufacturing concern in Battle Creek, Mich., turned down an order for shrapnel shells amounting to \$3000 per day and to run indefinitely, the president of the company stating "I could not sleep easy with the thought that the product of our plant was murdering boys in Europe."

A Milwaukee Garment Manufacturing Company, the Monarch, has just completed an order for one million sheepskin jackets for one of the warring nations of Europe. Sixty days only was required after receipt of order until delivery was completed. The jackets cost \$8 each.

According to President Esteson of the Diamond Match Company, who has been inspecting the company's plant in Butte County, California, the war has so affected the manufacture of matches that their cost will be greatly increased.

Germany now holds as prisoners of war 1,356,000 men divided thus: 1,000,000 Russians; 250,000 French; 25,000 English; 50,000 Belgians and 50,000 Serbians.

Total military expenditures for the first year of the war, according to old world economists, is \$2,000,000 an hour.

War orders for munitions and supplies now placed in the United States are largely in excess of \$1,000,000.

At the City Point, Va., plant of the Dupont Powder Company 15,000 men are now employed.

Fifth Household Economics

The Fifth Household Economics section of the Ebell Club will hold its fifteen cent luncheon next Friday at 12:30 o'clock at the residence of Miss Mary Taylor, of Edgewood Road.

The German soldiers have a way particularly their own of entertaining themselves with films, which also afford them an opportunity to boost the fatherland. When they take possession of a town they make themselves thoroughly at home and request the local motion picture exhibitor to open his theater to the public. When the showman explains that he has neither operator nor films, the Germans bring forth a skilled man and a batch of war films, which are of their victories. The Germans delight in watching their films, as they fill them with renewed encouragement. Cinematographers accompany the forces at the front and the very same pictures are afterward shown to the wounded soldiers in Germany.

SPLENDID MEETING

Fifth Street Ass'n Elects Officers; New President Gives Interesting Talk

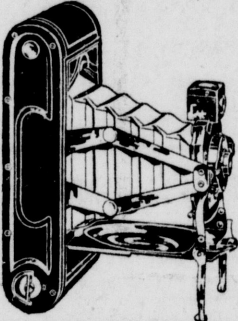

The Fifth-street Parent-Teacher Association held its last meeting for the year Tuesday afternoon, in the first grade room. The attendance being the largest for many months all felt highly encouraged over the prospect for an active, "live" association during the coming year. In the absence of the president, Mrs. Bissett, who had gone to her new home in Arizona, Mrs. F. H. McElree presided, in her pleasing manner while officers were being elected. Those chosen were:

President, Mrs. Thompson, first vice president, Mrs. E. G. Best; second vice president, John English; secretary, Mrs. O. W. Humphrey; treasurer, Mrs. T. M. Pearson. Mrs. McElree emphasized the importance of the publicity committee. It being her opinion that the success of any association is in a great measure due to the efforts of that particular committee.

The newly-elected president then took the chair and after a song by the first grade girls, gave an interesting talk upon Winnipeg, the climate, the native people, the system of schools, the quarantine laws and the games of young and old, all of whom are pleasure loving.

At the conclusion of the program, refreshments of fruitade and wafers were served and mothers and teachers parted for the summer with good wishes and pleasant anticipation of many more such meetings, another year.

ENJOYABLE MEETING

Two Charming New Members Are Initiated Into the Chatt 'N' Seau Club

The young ladies of the Chatt 'N' Seau Club found the home of Miss Emily Lykke of Highland avenue to be a delightful meeting place, Monday evening, two new members, Misses Mabel Brooks and Belle Brown being welcomed as new members.

Lovely bouquets of pink and white carnations and lacy sprays of maidenhair ferns added floral charm to the cozy rooms where the congenial company gaily chatted over their pretty needlework.

At the close of the social hours, the hostess invited her guests to the dining room where they found their places marked by dainty little cards, in carnation design, connected by pink and white ribbons to tiny cards concealed beneath the mirror which centered the prettily-appointed table. The cards bore clever little original poems prophesying the fortunes of each girl, and Miss Lykke's keen insight into the future brought forth peals of merriment.

Pink carnations, combined with maidenhair fern, reflected their pretty heads in the mirror-plateau and harmonizing with the prevailing color motif, was the tint of the delicious fruit salad served in orange baskets, with sandwiches, pink cake and orangeade. Napkins also bore clusters of pink carnations.

Among those enjoying this pleasant meeting were Misses Irene Edwards, Helene McNeil, Mildred Britton, Mabel Brooks, Belle Brown, Frances Condon, Mamie Tucker, Grace White, Fernie Smith, Edna Meyer, Lucy Stevens, Esther Fluor, Alice Huntington, Emily Lykke and Mrs. Frank Hammett.

The next meeting will be held at the home of Miss Helene McNeil.

Happy Hours Club

The Happy Hours Club met yesterday afternoon at the lovely home of Mrs. Leonard Clark, 710 West Sixth street, where a merry afternoon was spent by the young ladies with their needlework and conversation.

Piano numbers by Miss Wild, Miss Moesser and Mrs. Kays were very much enjoyed.

Potted ferns were used in the music room and baskets of sweet peas in the living room and dining room and a most tempting collation was served on individual trays at the close of the delightful afternoon.

The club members present were Mrs. Mary Brannon, Mrs. Harry Warner, Mrs. William Karp, Misses Clara Wiseman, Minnie Wild, Mabel Blodgett, Freda Moesser and Fay Meyers. Guests of the club were Miss Helen Marr and Miss Zyltha Dismakes.

PROFITABLE AFTERNOON

Women's Clubs Represented at Reciprocity Meeting; Civic Improvements

An unusually interesting and profitable W. C. T. U. meeting was held Tuesday afternoon at the home of Mrs. G. P. Hill, 1102 Spurgeon street. The devotional exercises were led by Mrs. E. L. Morrison. Verses from the twentieth chapter of John were used to show the important part woman was given at the time of the resurrection of Jesus, from which we may learn that woman still has an important work to do.

The subject for the day was "Civic Improvements," and a reciprocity meeting had been arranged, having present representatives from the various women's clubs of the city. A decided similarity of purpose pervaded the report from each society—that of endeavoring to help and improve the condition of the unfortunate.

Mrs. Uttley, president of the Civics Club, gave an interesting account of the work of that organization, telling how they worked to obtain a more beautiful and sanitary city by having a "clean-up" week; how public playgrounds had been planned but must have the help and co-operation of other societies before it can become an accomplished fact. Better lighting and better paving are to be worked for as these are a city's best assets. The keynote to success in all these improvements is unity, for in union there is strength.

Mrs. Lawton, speaking for the Ebell, called attention to the fact that civics includes everything pertaining to better citizenship and the Ebell through its numerous sections aims to cover all lines of work leading to the betterment of mankind. Household Economics was spoken of as being one of the most helpful sections, especially to young housekeepers. The most prominent philanthropic work of the Ebell is the establishing and maintaining of the Day Nursery, which is doing a large amount of good.

The report from the Sunshine Club was also given by Mrs. Lawton, showing that the society accomplishes much good in comparison with its size.

Mrs. M. E. Shaw gave a complete and interesting account of the aims of the Associated Charities. This, a new organization, fills a much-felt want in the city and should have the support of every loyal citizen. They are greatly handicapped by need of funds and would also receive with gratitude donations of furniture for the office which have been offered by the Spurgeon Realty Company in their new building.

Mrs. Gale, speaking for the Woman's Club, said that most of its members were also members of the Civics Club and they had not attempted any definite work along civic lines.

Mrs. McElree, in behalf of the Federated P. T. A., appealed for co-operation in obtaining supervision of school grounds for use of children during vacation.

Mrs. Hill gave a summary of the many reforms brought about by the W. C. T. U.

The next meeting will be a mothers' meeting held at the home of Mrs. Dr. Jordan, 402 Cypress avenue. A suggestion was made that each member take a garment to donate to the infant box as there is a pressing need for this to be replenished.

A most pleasing feature of the program was music by little Miss Phyllis Hill.

Union Meeting

The Immanuel Baptist and the Nazarene Churches will unite in service tonight (Wednesday) and tomorrow night, preparatory to the union revival to be held at the Immanuel Baptist Church beginning next Sunday night, with Rev. Seth C. Rees in charge. Rev. J. B. McBride, one of the strongest evangelists in the field, who is taking a few days' rest near Santa Ana, is expected to preach tonight at the Nazarene church, and tomorrow night at the Immanuel Baptist Church. All are cordially invited to come and hear this earnest preacher.

—**Charming Week-End Party**
One of the charming social courtesies, complimenting Miss Elsie Parker, a popular bride-to-be of this summer, was given Saturday afternoon at the home of Mr. and Mrs. J. D. Thomas, where their daughters, Mrs. Marshall Northcross and Miss Lena Thomas, proved to be delightful hostesses.

The rooms were beautifully decorated, the chosen color scheme of pink being effectively developed with lovely Canterbury bells and waxen begonias, combined with lacy maiden hair fern.

Auction bridge was the diversion for the afternoon, four tables being filled with players. The fortunate prize winners were Mrs. Hugh Plumb and Miss Lois Tedford and the honoree was given the handsome guest prize.

Late in the afternoon, a delicious two-course collation was served in the dining room, where the delicate pink tone was again apparent, the long table being adorned with a high centerpiece, artistically fashioned of Lady Washington geraniums and maidenhair ferns. The place cards were dainty little affairs done in pink.

—**Father's Day**
June is the month not only of roses and weddings, but it is the month that celebrates a far less frequently sung fete.

Father's Day comes this month on June 22. A rose of any kind or color is the emblem of Father's Day, and all who wear one on June 22 will be known to be paying tribute to Father, living or dead.

Father himself was not the inventor of this celebration. It was a woman who devotedly admired her father and her husband who made the suggestion. Happy and admiring daughters and wives all over the country have taken it up.

There is a slow but sure gathering feeling among women that in spite of the heavy artillery used against men in the fight for suffrage, after all, Father is a pretty fine old Father, and that we will tell him so once a year, no matter how we ignore and maltreat him the remaining three hundred and sixty-four days.

BOOK REVIEW SECTION

Rev. Schrock Gives Synopsis of "The Ragged Messenger" at Social Meeting

The Ebell Book Review Section held its closing meeting for this season last evening at the home of Mr. and Mrs. W. B. Tedford on Broadway. About sixty members and guests were present. The Tedford home was especially attractive in its decorations, pink Canterbury bells being used in the living room, and begonias of the same color in the dining room. At the close of the evening delicious grape ice and cake were served.

A program of a social character had been arranged by a committee of ladies, of which Miss Nelle Sumner was chairman, the special feature of which was a costume representation of books. Each person present had been asked to represent some book, the title of which was to be guessed by the rest. Many of the representations were exceedingly clever and afforded much amusement. Two of the most striking were those given by Mrs. Hickox and Mrs. N. A. Beals, the one by Mrs. Hickox being "Gospel Hymns" represented by the pictures of four well-known preachers, and the one by Mrs. Beals being "Black Rock," represented by the picture of a colored baby in a cradle. The first prize for guessing the largest number of books was awarded to Mrs. H. G. Hull, while the consolation prize went to Mrs. Stone.

In addition to this feature of the evening a most interesting book review was given by Rev. Perry P. Schrock, pastor of the Congregational church. Mr. Schrock's book was "The Ragged Messenger" written by an English author, W. B. Maxwell. In the estimation of a number of British reviewers, this is one of the remarkable books of the year. It deals with life in East London. A curate in the established church becomes dissatisfied with what the church is doing in the way of social reclamation and quits the ministry. He is called the "Mad Messiah," and believes himself to be a real Messiah. He preaches to the poor in East London, and suddenly falls heir to great riches through the death of a cousin.

He gives away all his vast wealth in the founding of institutions for the uplift of the poor and fallen in London. The interest in the story is twofold, according to Mr. Schrock—Morton's idea that there are more than many incarnations of the divine life, and secondly, the method adopted by Morton in the use of wealth. Increasing emphasis is being put upon the notion of the stewardship of wealth and power. But was Morton's method the most effective one? Was it not after all like dipping water out of a sifter without turning off the faucet? The thought brought out by the reviewer was this, that in dealing with the great problems of social reform and reclamation today, the great evils of poverty and misery and crime must be attacked at their source.

This evening closed a most successful year for this organization. The officers for next year are Mrs. L. P. Hickox, president; Mrs. W. B. Tedford, vice president; J. E. Gowen, secretary-treasurer. The program committee consists of L. P. Hickox, Mrs. N. E. Todd and Miss Lois Tedford.

Interesting Subject

A representative audience, the largest yet, heard Dr. House on "Spiritual vs. Mental Healing" last night. He said:

"Healing is not an extra on the Lord's table, but a regular. But because it has not been exercised the church disbelieves it. Today there is a demand for its return. And because of this demand, and because some have discovered that the law of the mind is a higher law than that of the body, and can bring about certain beneficial results, many cults and healers have sprung up who are healing mentally."

"Spiritual healing does not assume the functions of medicine, believes that doctors have their place, but that they must let drugs go and use the faculties of a metaphysician more, and that the church must put back into her curriculum this minor part of her commission, although her supreme commission always will be to save the souls of men, rather than their bodies."

Tonight the subject will be "The Psychology of the Boy and the Girl," and tomorrow afternoon the subject is one that has been given to the Women's Clubs of the state a good deal, "The Psychology of Dress."

Lincoln P. T. Association

The Parent-Teachers' Association of Lincoln School will hold its last meeting of the year on the A. J. Crookshank lawn, 620 Spurgeon street, tomorrow afternoon, at 2:30 o'clock.

McKinley P. T. Association

The McKinley School Parent-Teacher Association will hold its last regular meeting for the year in the kindergarten tomorrow afternoon at 3 o'clock. All parents and others interested in the school are urged to be present. The following interesting program has been prepared: Song, fourth grade; reading, Eunice Jones; song, sixth grade girls; reading, Victor Walker; song, sixth grade boys; talk, "Children's Reading," Miss McFadden; song, Intermediate Glee Club.

SOON TO BANQUET

High School Alumni Reunion Is at the First Baptist Church, June 21

To all graduates of the Santa Ana high school whose addresses are readily obtainable, invitations are being sent for the annual reunion and banquet to be held this year in the basement of the First Baptist church on the evening of Monday, June 21.

Several unusual features are being planned for the gathering. It is proposed to display that evening numerous photographs of graduating classes and athletic teams.

The invitation sent out reads as follows:

"It's to be on Monday, June 21. 'The Alumni of Santa Ana high school will banquet at 7 p. m., Monday, June 21, at the First Baptist church. 'If you don't come and mix up a good old time, it will be your miss, not ours. Pass the word along to graduates."

"Price: Half a dollar for what you are going to eat and two-bits for dues. That makes seventy-five cents to be given by you at the table. Pay your own way."

"There'll be some speeches about nothing in particular. They ought to be worth hearing. 'Last year we had 125 present. This year it'll be nearer 200, counting you. 'It's up to you. R. S. V. P. or S. O. S."

"Santa Ana High School Alumni Association. T. E. Stephenson, President; Rosamund Norman, Secretary; Blanche McEwen, J. L. McBride, Charles Martin, W. B. Williams, Malcolm Tedford, Executive Committee."

In order to make arrangements for the banquet, the executive committee is sending reply cards. Graduates who fail to secure cards are urged to notify Miss Rosamund Norman, 202 East Sixteenth street, of their intention to attend the banquet. The reply card is worded as follows:

"I will be present at the 1915 banquet of the graduates of the Santa Ana high school. If I cannot be present, I will send you fifty cents to pay for the plate you are reserving for me."

"I will not be there, because: '1. I'm getting old and rheumatic, and can't get out much at night, or '2. I've got to stay home and tend the baby, or '3. Dad won't come through with the price, or '4. I'm too lazy to live, too sour to laugh."

Delightful Summer Outing

Mr. and Mrs. H. G. Dawes, daughter Miss Roberta, sons Truman and Charles, accompanied by Mr. and Mrs. F. D. Drake and daughter, Miss Helen Marie, will leave the latter part of next week for a delightful summer outing.

The motoring party are going by the national old trail road, via Needles with a stop at the Grand Canyon and they will take a side trip to the petrified forests in New Mexico before going on to Colorado.

Mrs. Dawes and Roberta will leave the party at Denver and spend some time in the Yellowstone National Park, visiting also in Montana.

After they have joined the party in Colorado, they will proceed homeward by way of Salt Lake City and San Francisco where they will attend the exposition.

GOOD TIMES COMING!

Baracas Clear Their Athletic Grounds and Prepare For Summer Sports

The Philatheas of the First Presbyterian church held their regular business meeting last evening in their attractive class rooms.

Among the important matters of business transacted was the resolution made to discontinue the nursery during the summer months. The girls of this class and their teacher, Mrs. J. G. Morrow, have been taking turns in caring for the babies whose mothers wished to attend the Sunday morning church services, but on account of so many of the girls being absent during "vacation days" this decision was made.

Several members are planning to attend the National Baraca-Philatheas convention to be held in Los Angeles, June 26 to 30, and as this convention will bring together some of the most enthusiastic Sunday school workers in the United States, it is hoped that many delegates will be present from Santa Ana.

While the Philatheas were holding their meeting, the Baracas were busily clearing out the Baraca-Philatheas athletic grounds where these young people expect to have such good times at tennis, basketball and baseball this summer, and as a reward for their labor, the girls arrived late in the evening with a treat of sandwiches, pickles, fruitade, home-made canoes and stuffed dates.

AUCTION BRIDGE

Mrs. Cal Lester Charmingly Entertains Club Members at Her Lovely Home

One of the delightful affairs of yesterday afternoon was enjoyed at the lovely home of Mrs. Cal D. Lester, who entertained her auction bridge club and several guests.

Sweet peas, in the delicate pastel shades, were arranged artistically in crystal bowls throughout the rooms and the guests enjoyed the fragrance of these beautiful blossoms as they gaily whiled the hours away at their favorite game of cards.

Mrs. Wm. Malone, who held high score at the close of the interesting session, was presented with an exquisite set of salt and pepper shakers, hand painted in pink rose design, while Mrs. A. W. Rutan was delighted with her consolation trophy, a cream and sugar set, of gleaming crystal.

The lavender and pink tints of the prevailing color scheme were also observed in the serving of the delicious two course collation.

Mesdames Wm. Malone, J. P. Hatzfeld, Frank Clarkson and H. T. Duckett were guests of this charming hostess, the club members present being Mesdames Russell Scott, R. R. Shafer, O. K. Forgy, George Briggs, A. W. Rutan, Earl Morrow, Chas. S. Kendall and Wm. Lutz.

American Woman's Republic

The Santa Ana Chapter of the Orange County Woman's Republic will be hostess to the Orange and Fuller chapters of this organization, at an all day meeting tomorrow at Elks Hall.

A basket lunch will be served at noon time and an interesting program has been arranged for the afternoon, a feature of which will be the address of Mrs. Peck of Pasadena who is one of the prominent members of the American Woman's Republic.

All members of the three chapters are urged to attend.

Tustin Twelve Meets

The members of the Tustin Twelve enjoyed one of their most enjoyable meetings yesterday afternoon at the home of Mrs. J. S. House of South Lyon street.

Shasta daisies profusely decorated the attractive rooms and while the ladies busily plied their needles, they discussed plans for their annual summer outing.

As a result of this discussion the ladies are looking forward to seeing John Drew in "Rosemary," with a jolly little dinner party after the matinee.

Mrs. Charles Johnson gave several pretty instrumental numbers during the social hours which closed with the serving of fruit salad, sandwiches, pickles, delicious home-made cake and punch.

DELIGHTFUL LUNCHEON

Guests Are Highly Pleased With Work of Domestic Science Class

The members of Section One of the Domestic Science class of the Intermediate High School delighted their mothers yesterday with an exhibition of their culinary ability which glowingly showed the results of the excellent training of their domestic science teacher, Miss Bessie McCord and her able assistant, Miss Lela James.

The luncheon was given yesterday afternoon in the Domestic Science building where Misses Waive Kingrey and Bernice Bull welcomed the guests, introducing the mothers and teachers and directing them to the prettily appointed tables where they found their places marked by dainty hand-tinted place cards, the work of Misses Gwendolyn Hoyle and Mildred Drew.

Baskets of fragrant pink carnations and sweet peas decorated the tables where the following excellent menu was highly enjoyed:

Chicken Croquettes	Riced Potatoes
Hot Biscuit	Gravy
Buttered Beets	Olives
Cake	Coffee

The delicious luncheon which was cooked and served by the members of the domestic science class, was enjoyed by the following guests: Mr. and Mrs. J. A. Cranston, Mr. and Mrs. W. C. Roberts, Mr. and Mrs. J. J. Ziehl, Dr. and Mrs. J. F. Doyle; Mesdames Hull, Betz, McFadden, Violet, Kingrey, Bull, Shields, Smiley, Anderson, Remsburg; Miss Bashore, class teacher, and Misses Peterson, Bemus and Plumb.

Compound.

Minneapolis, Minn.—“After my little one was born I was sick with pains in my sides which the doctors said were caused by inflammation. I suffered a great deal every month and grew very thin. I was under the doctor's care for two long years without any benefit. Finally after repeated suggestions to try it we got Lydia E. Pink-

ham's Vegetable Compound. After taking the third bottle of the Compound I was able to do my housework and today I am strong and healthy again. I will answer letters if anyone wishes to know about my case.” Mrs. JOSEPH ASELIN, 606 Fourth Avenue, Minneapolis, Minn.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and today holds the record of being the most successful remedy we know for woman's ills. If you need such a medicine why don't you try it?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, in strict confidence.

GRAMMAR GRADE EXERCISES A SUCCESS

Largest Class Ever Graduated
From Grove School Gets
Diplomas

GARDEN GROVE, June 9.—The Garden Grove grammar school graduated the largest class from the eighth grade of any year in its history. The graduation exercises took place Friday, June 4, and were in every way a very pleasing occasion.

The program was opened with the singing of "America," then came the invocation by Rev. W. W. Hull, an essay, subject, "Peace," given by Glen Freeman, an original story by Elsie Clark and the class prophecy by Georgina German. Each paper was ably handled and showed marked talent for eighth grade pupils.

"I Love You California" was sung by the school and was followed by an address given by Prof. E. H. McMath of Santa Ana.

This address was much appreciated and was out of the usual order. It contained solid facts and deep thought from beginning to end. If the young people graduating were alert enough to catch the vision of real life placed before them as Prof. McMath portrayed it, they will enter life with aspirations that will mean much to them and to the community in which their lot will be cast.

At the close of Prof. McMath's address he read the names of the graduates and Principal Fitz presented each in turn with a diploma. The class song written by Miss Ruth Johnson, was then sung.

Those graduating were Frances Waltz, Viola Hudson, Elsie Clark, Anna Bruskay, Mina James, Luella Hazard, Ruth Lott, Eva Lake, Ruth Steele, Evelyn Junkin, Annie Parks, Esther Lott, Lola Fulgham, Georgina German, Ruth Johnson, Mary Fulgham.

Charley White, Floyd Andres, Harry Bleiholder, Clyde Mitchell, Walter Dungan, Lester Everett, Andrew Calhoun, Leland Sweetser, Earl Morrill, Lauren Freeman, Leo Dietrich, Delbert Preston, Fay Barnett, Glen Freeman.

GARDEN GROVE, June 9.—The Home Missionary Circle of the M. E. church is holding a "Mothers' Jewel Day" meeting today at the home of Mrs. Harrison. There is a large representation of babies and mothers.

Mr. and Mrs. E. Fulgham and family were very agreeably surprised Monday noon by about sixty of their friends from the Free Methodist and Mennonite churches, the occasion being a farewell party. The visiting friends brought with them baskets laden with the best of things to eat.

The tables were spread under the big pepper trees. After the bountiful meal was partaken of, pictures were taken and some time was spent in conversation. The members of the Fulgham family have lived in this community a number of years and have a host of friends who regret their leaving, but wish them every success in their new venture.

Tom Sarah returned to Garden Grove Tuesday from Imperial Valley, where he has been for some time.

Jerome Fulson, who has been seriously ill for a few days, is reported as improved.

Miss L. Beardsley has been confined to her home as a result of poison-oak poisoning.

LOS ANGELES PRODUCE MARKET
The eastern market is showing a high figure at this time, considering the eggs in storage, and Los Angeles is one of the lowest markets in the country, considering that it is necessary to add practically 4 cents to every dozen of eastern eggs before they are laid down here. Trading here was light yesterday and receipts were 502 cases of locals, with sales continuing at 21 cents.

The first change in the butter market in two months came yesterday, when creamery extra of the highest grade sold at 24 cents. The supply of the best butter is not plentiful, while seconds are easily obtained at discounts, the warm weather reducing the quality of the product. Receipts were 58,430 pounds. Cheese was an active factor. Block Swiss moved freely at a jobbing quotation of 15½ cents a pound. Wisconsin, Oregon and California Longhorns were freely offered. Receipts were 9880 pounds.

CURRENT PRICES
[The following market prices on poultry

IN THE JUSTICE COURT

INJURED MEXICAN IS
AGAIN PUNISHED;
IS FINED \$20Fracas In a Jap Poolroom
Shows Warlike Individual
Met With Disaster

When Joe Diezcas of Artesia was before Justice Cox yesterday afternoon, he came with his head in bandages. He was the man who was picked up unconscious on the floor of a Jap poolroom on East Fourth street Sunday afternoon. Jack Hudson, bootblack at the Arcade, was the man who had put Joe on the floor.

Testimony showed that Joe entered the poolroom in frontier style. He was the bad man hunting for trouble. He said he could lick anybody in sight. He started in to try his hand on Jack Hudson. Jack was playing a peaceful game of pool when Joe waded into him. The traditional two blocks were struck—Jack hit Joe and Joe hit the floor.

Justice Cox decided that Jack was in no way to blame, and he was turned loose. Joe paid a fine of \$20.

Suit Over a Note

A woman attorney, Catherine A. McKenna, of Los Angeles, has filed with Justice Cox notice of her intention to move for a change of venue in an action brought by the Orange County Savings & Trust Company against J. C. Phillipson, an insurance agent of Orange, and the Collins Marine Company of Balboa. Suit is on notes totaling \$265 given by the marine company to Phillipson in an

ALISO DAIRY PRODUCT
NOW BEING HANDLED
BY EXCELSIOR FIRMWest Fourth Street Company
Is Growing; Business Is
Reported Excellent

Through a deal consummated recently the entire wholesale and retail product of the Aliso Dairy Company, whose plant is located near Paulano, is now being delivered to the Excelsior Dairy Company, whose depot is located at 304 West Fourth street. Besides receiving the entire milk product of the Aliso Dairy, the Excelsior Company is also getting the entire product of the F. H. Finney farm, located on West Fifth street. W. L. Russell, who, with H. F. Russell and E. B. Burns, owns the Excelsior Company, reports that business is excellent. New delivery arrangements, made necessary by the added milk now being received from the Aliso plant, are being rapidly perfected and the large number of patrons of the Excelsior Company are assured of rapid and thorough service.

Insurance deal, and turned in to the bank by Phillipson. The marine company proposes to resist payment on account of developments in the insurance matter. E. E. Keech represents the plaintiff.

Six Months Given

For battery upon Dietrich Dorsten, a 15-year-old boy of Orange, William Clark was today sent to jail for six months. The complaint was sworn to by O. C. Firman, a private detective employed in the civil action of P. I. Bird against Mrs. Huber. Young Dorsten is to be a witness in that case, and Firman was watching him and came into information that led to Clark's arrest in Los Angeles by Firman.

Can't Understand It

When A. J. Addington was brought into court on a charge of giving a \$3 no-fund check to Gerrard Bros., Addington declared that there must be some mistake. He said he owns a ranch, and has had an account with an Anaheim bank that turned down his check. He was allowed to go on his own recognizance, and will return tomorrow at 2 o'clock to tell the justice where the mistake came in.

Held to Answer

Joseph Grant of Newport Beach, who was arrested west of Anaheim last week, was up before Judge Howard at Anaheim yesterday morning for his preliminary hearing. After hearing the evidence Grant was bound over to the superior court under bonds of \$2500. He was returned to the county jail on account of being unable to put up the bond.

MAN IS FOUND GUILTY
OF BURGLARY IN
SECOND DEGREEJury Selected, Evidence Is
Heard, Verdict Secured
All In Two Hours

It took less than two hours this morning to select a jury and try Juan Ramirez on a charge of burglarizing the garage at the home of L. N. Mateer. The jury took but one ballot and brought in a verdict of guilty of burglary in the second degree, the theft having occurred in the daytime. Ramirez will receive sentence tomorrow.

Sheriff Is Winner

That Sheriff Jackson had made a proper levy upon and lawfully held an automobile concerned in a civil case brought in a Los Angeles court was decided yesterday by Judge Thomas. Herman Lemboke was the plaintiff. He asserted that the judgment was entered against him in Los Angeles without his knowledge. When the investigation showed that the sheriff was right, the petition for an injunction to prevent him from selling the automobile at auction was denied. Lemboke then proceeded to go to the sheriff's office, and he there paid the money to square the judgment against him.

For Dissolution

The Orange County Automobile League, a corporation, has petitioned the court for an order of dissolution. Clyde Bishop is attorney for the petitioners, J. E. and J. M. Pearce and A. C. and C. J. Drake.

To Quiet Title

D. R. Davies has brought suit against E. L. Gillespie to quiet title to lot 9, Elliott's addition to Garden Grove. Scarborough & Forgy are attorneys for the plaintiff.

Foreclosure Action

H. C. Parnley vs. H. O. Butler and others is the title of a foreclosure action brought on a demand for \$227.69. Property at Garden Grove is concerned. Williams & Ruten are attorneys for the plaintiff.

For Administration

Miss Alma Buser of Santa Ana has petitioned for letters of administration upon the estate of her father, William D. Buser. The estate is valued at \$2600, and the petitioner is the only heir. Scarborough & Forgy are attorneys for the petitioner.

The Apex Rug Excellence Is Achieved in the
Product of the "Whittall" Mills

Realizing the appeal of which the beauty and practicability of the genuine Oriental Rug makes to the artistic home maker, it has been the endeavor of the "Whittall" mill to give to the public the same splendid wearing qualities combined with the reproduction of colors and patterns of the expensive Persian Antiques.

To understand how faithful these effects have been duplicated, we ask those interested to inspect our line of Anglo-Persian and Body Brussels Rugs. We are now showing the complete new fall line—a line of which any city store might well be proud; and every rug bearing the well known trade mark

The completeness of our stock, the endless variety of patterns makes rug buying a genuine pleasure in this store. We carry every size of rug made in the "Whittall" mill; fourteen sizes. Old blues and rose shades as well as browns, tans and olive green are blended into effects of which one never tires and the possibility of artistic wall and drapery treatment with these fabrics is unlimited. Let us show you our line and help you with your home furnishing.
